Registration and Title Bulletin # 110-01

TO: All County Tax Assessor-Collectors

SUBJECT: Authorization for Podiatrist's Signatures (SB 777).

PURPOSE

This letter is to inform you of the changes made to allow podiatrists to sign the written statement that accompanies the application for disabled person placards or license plates.

DETAILS:

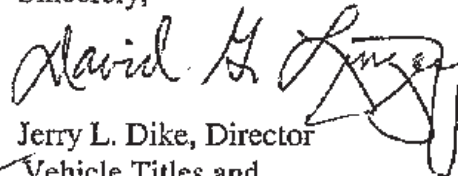

Effective September 1, 2001, the required notarized written statement or written prescription that accompanies the initial application for a disabled person identification placard or license plate can be issued by a person licensed to practice podiatry in this state or an adjacent state. The application must be made by or on behalf of a person with a mobility problem caused by a foot disorder.

Attached are a copy of the bill, a copy of the revised application Form VTR-214, and a copy of the revised instructions for Form VTR-214. These forms will be distributed as soon as they are printed, but in the meantime, the existing Form VTR-214 can be accepted with a podiatrist's statement.
